

## General Medical Advanced Trainee Information – 2021

Austin Health and Northern Health have approximately 24 positions available across the main two sites, as well as positions at Mercy Health and Warringal Private Hospital. A variety of six month rotations are available and rosters are based on College requirements and preferences received.

Appointments are for 12 months with 6 monthly rotations. Rotation options included are:

### Austin Health

- Elizabeth Austin Registrar - Senior Medical Registrar (Separate application)
- Acute and General Medicine
- Intensive Care Medicine
- Cardiology
- Peri-Operative Medicine
- Alice Springs
- Infectious Diseases (to be confirmed)

Other rotations may be available at Austin Health depending on the interest of trainees and the availability of specialty rotations.

### Northern Health

- Senior Medical Registrar (Apply directly to Northern Health)
- Infectious Diseases
- Renal
- Cardiology
- General Medicine
- Respiratory Medicine
- Neurology/Stroke
- Oncology
- Medical Obstetrics/Renal

### Mercy Health

- General Medicine and Obstetric Medicine

### Warringal Private Hospital

- Acute and General Medicine
