Searching and browsing in ClinicalKey

1. Start by typing in the **search box** on the homepage. Autosuggest will offer shortcuts.

2. Access **scoped search** from anywhere in ClinicalKey next to the search bar. Limit results by content type or restrict search to within a publication.

3. **Browse** by content type by using the links in the section under the search bar or use the **browse** tab at the top of any other page.

4. The **search results** page will display results ranked by relevancy, based on search term.

5. **Filter** results by source type, specialty, or date.

6. Click on the **colour-coded shortcuts** that take you directly to the clinical workflow.

CME/CPD credit through ClinicalKey

1. Login to your personal account. As you search and open eligible content, your search and time spent reading will be automatically recorded as potential CME/CPD.

2. Access your **CME/CPD dashboard** from your user profile menu at the top right of the desktop version of the site. Within the dashboard, click on **claim credit**.

3. Select the query you want to claim, submit evaluative feedback, click **submit** and print the certificate. You have two years from the date of accrual to claim.

Presentation Maker

Use the Presentation Maker to create presentations quickly and easily.

1. Click the Presentation Maker icon on search and browse results to add images to a presentation.

2. Access **presentations** in your user profile menu to create and edit presentations.

3. Click **export** to convert your presentation to PowerPoint or Keynote.

Support resources

- Click on the Resource Center link in the footer section of clinicalkey.com.au to view learning and implementation materials and register for upcoming training sessions.

- For technical assistance, click on the question mark icon on the top right of the website. Contact us or click help to visit our FAQs. You can also email customerengagement@elsevier.com
